

Rod Reyna for Pflugerville Mayor

For Immediate Release -- February 16, 2007

Pflugerville Leader Enters Mayoral Race

Rod Reyna, civic leader and 14-year Pflugerville resident, is joining the mayoral race. Reyna is seeking Pflugerville voters' permission to have him work with and represent the City Council and the community on the local level and beyond. He is a strong leader and can be a "voice" for Pflugerville. To get out the May 12th vote, he is launching the Rod Reyna for Mayor, "Win-Win" Campaign--a Reyna win is a Pflugerville win.

Co-campaign manager, P.J. Buerger, long-time Pflugerville business owner, states that 42-year-old Rod Reyna has "time to dedicate as mayor, experience to lead more effectively, and working relationships established to get the job done. He will hit the ground running once elected, with passion, like everything else he's done for Pflugerville. Anybody else would be playing catch up for three years."

As current Downtown Planning Committee Chair, recent Pflugerville Council of Neighborhood Associations Chair, and recent Saxony HOA President, Rod Reyna has proven his dedication to Pflugerville's communities. Rod plans to be an advocate for both homeowners and business owners by championing economic development, quality of life, and better communication/infrastructure.

Reyna says, "My promise is that I will build this community by working toward the goals of Pflugerville citizens, in partnership with Council members, city staff/appointees, and other stakeholders. I care about Pflugerville with all my heart. It's where I've established my roots and have been working in the trenches for Pflugerville's families."

Rod and Cynthia Reyna have been married for almost 19 years and they have three beautiful girls, one getting ready to go off to college, one in middle school, and another in elementary school. Rod is a Research Specialist for HCC Corporation and a Reserve Deputy Constable for Travis County-Precinct 2. He is a graduate of the University of Texas at Austin with a Bachelor of Journalism and is an active member of St. Elizabeth's Church in Pflugerville, the Pflugerville Downtown Association, the Greater Pflugerville Chamber of Commerce, and the Envision Central Texas board. He also facilitated the Wal-Mart Community Workgroup and served on the 2005 Travis County Citizens Bond Advisory Committee.
